

REMARKS/ARGUMENTS

This Amendment is being filed to continue prosecution of Claims commensurate in scope with those indicated as allowable in a Notice of Allowance that issued on February 17, 2004 in Parent Patent Application Serial No. 09/341,084.

Claims 1-10 were cancelled, without prejudice and Claim 11-16 are added by this amendment. Claims 11, 15, and 16 are independent claims.

It is respectfully submitted that Claims 11, 15, and 16 are allowable for the reasons indicated in the Notice of Allowance under the title "Allowable Subject Matter", paragraph 1.

Claims 12, 13, and 14 should also be allowed as they depend from Claim 11.

The Applicant has made a sincere effort to place this application in suitable condition for allowance. Accordingly, an indication to that effect is earnestly solicited.

Early and favorable action is earnestly solicited.

Respectfully submitted,

By Gregory L. Thorne
